Website: juanregalario.com – *Crafting Ideas into meaningful results*

Professional Objective

Results-oriented industrial engineering professional with extensive experience in maintenance repair, overhaul, manufacturing and construction. Adept in data analysis, project management and process optimization, aiming to contribute to organizational growth through technical expertise and analytical skills.

Education

Bachelor of Science in Industrial Engineering

Polytechnic University of the Philippines, Metro Manila

Professional Certifications

American Certification Institute

- **Lean Six Sigma Green Belt** – Cert. No. CLSSGB2221237038
- **Lean Six Sigma Black Belt** – Cert. No. CLSSBB2221221966

American Purchasing Society

- **Certified Purchasing Professional (CPP)** – Cert. No. CPP2141033084
- **Certified Professional Purchasing Manager (CPPM)** – Cert. No. CPP2141033084

Core Competencies

- Data Analysis and Reporting
- Lean Six Sigma and Process Improvement
- Inventory and Supply Chain Management
- Project Planning and Execution
- Production Planning and Optimization
- Communication and Problem-Solving

Skills

Technical Proficiency

- **ERP Systems:** Skilled in Maximo, SAP, and Oracle
- **Software:** Advanced in Microsoft Office Suite, AutoCAD, MS Visio, Tableau, Power BI and various Project and Inventory Management tools

Process Improvement and Methodologies

- Experienced with **Lean Six Sigma, Kanban, Just-in-Time (JIT)** and **Kaizen** principles, enhancing efficiency in production and quality control

Production and Quality Management

- In-depth knowledge of **Production Planning** and **Quality Control** standards, focusing on operational efficiency and quality assurance

Organizational and Problem-Solving

- Strong organizational skills with a demonstrated ability to solve complex challenges, improving team productivity and process effectiveness
-

Professional Experience

Data Analyst

Al Taif Technical Services, Abu Dhabi, UAE | Aug 2021 – Present

- Analyses and interprets data to provide actionable insights for process improvement and strategic decision-making
- Develops and maintains automated reporting systems, optimizing operational efficiency and data visibility
- Collaborates with cross-functional teams to implement data-driven solutions, enhancing performance metrics and productivity

Planning Technician

Al Taif Technical Services, Abu Dhabi, UAE | Feb 2021 – Aug 2021

- Supported project scheduling and resource allocation to facilitate efficient operations and timely project completion

Production Technician

Al Taif Technical Services, Abu Dhabi, UAE | Jan 2020 – Feb 2021

- Monitored and maintained production standards, ensuring compliance with quality and safety protocols

Production Technician

Emirates Defence Industries Company (EDIC), Abu Dhabi, UAE | Aug 2017 – Jan 2020

- Executed production tasks with a focus on quality outputs and adherence to safety standards

Trainee Buyer and Expeditor

Emirates Defence Industries Company (EDIC), Abu Dhabi, UAE | Jul 2018 – Mar 2019

- Assisted in procurement, managing requisitions, coordinating with suppliers and ensuring timely material delivery

Production Control Clerk
